

NATIONAL TEAM MEMBERSHIP

September 2017 update

SEMI-ANNUAL NATIONAL TEAM SQUAD LIST.

This list serves to identify players who, through their performance and activity over the previous three months, are considered Canada's best players and prospects in their respective age categories.

The National Team Squad list is published in September and in January.

All players on the list will be marked with a * unless they have become a member of the National Team. To become a member of the National Team, athletes pay a membership fee of \$300 (for a 12-month period.)

A player with an * is not a member of the National Team and not eligible for selection. Players have 30 days from the publication of the National Team Squad to become a member of the National Team; if a player chooses not to become a member, the player will be removed from the National Team Squad and will not be eligible for selection for National Team activities such as competitions, training camps, etc.

STEPS TO BECOME A MEMBER OF THE NATIONAL TEAM

To become a member of the National Team, a player must qualify for the National Team Squad and register by sending an e-mail to teamcanada@ttcan.ca
subject: Team Canada
message: please send me a link to my team membership

You will then receive a link to a product on the pongshop.ca website called Team Canada Membership reserved for players listed on the National Team Squad.

This link leads to a page where you can enter the desired sizes of the national team uniform. Once you have selected your uniform size and paid the National Team Membership fee, you are officially registered as a Member of the Canadian National Table Tennis team.

Players have **1 month** from the original publication date of the National Team Squad to become members of the team. Players who have become members will no longer have a * next to their name. Players who do not join the National Team will be removed from the National Team list.

COMPETING AT INTERNATIONAL COMPETITIONS

To compete at international competitions, Canadian players **must** wear the National Team uniform:

- **National team tracksuit**
- **National team shirt**
- **National team shorts**

If a player intends to compete in an international competition players are required to wear the national team uniform – failure to do so will result in a penalty of \$200.

Repeated failure to wear the national team uniform at international competitions – unless previously authorized in writing – may lead to removal from the National Team.

For international competitions in North America – other than major ITTF events (such as PANAM GAMES/Championships, ITTF World Tour events) – players not on the National Team Squad may be entered; priority is given to the applicants in order of TTCAN ranking. Instead of the full national team membership fee, players will be required to pay a one-time fee of \$100 (no national team uniform will be supplied).

The players are however required to wear the national team shirts. The shirts can be purchased at a cost of 50\$ each by emailing teamcanada@ttcan.ca !

TTCAN **encourages all players** who are on the National Team Squad to join the National Team.

The National Team Membership fee will be waived for players who qualify for the Olympic and on the World Championships squads at the time of registration.

For all questions related to the Team Canada registration, please do not hesitate to send an email to teamcanada@ttcan.ca !
