

2019 PAN AMERICAN GAMES SELECTION CRITERIA LIMA, PERU

July 2018

The purpose of this document is to set out the process and criteria that will be used by Table Tennis Canada to select athletes to the Lima 2019 PAN AMERICAN Games.

The objective of the procedures is to outline a clear and fair process of how athletes are identified and selected to the national team competing at the Lima, Peru 2019 PAN AMERICAN Games.

Decision Making Authority

The High Performance Committee (HPC) is responsible for developing, approving and implementing the selection process and procedures for the team that will be nominated to the Canadian Olympic Committee for the 2019 PAN AMERICAN Games. The HPC will approve or the automatic selection process of player slots 1 and 2 and will ratify the National Coach's decision on player slot 3*. The same process will occur if there is the need for an alternate player to be named.

* The third player will be selected by the National Team Coach, taking into consideration the best possible performance in the PANAM Games team competition as the best chance for a podium finish; i.e., since the doubles is an important match in the team competition, the coach may select a player whom he/she considers a better doubles player over a singles player who, in the opinion of the coach, has less chance to contribute a point to the team.

The High Performance Committee (HPC) will consist of:

- 1) Men's Team Coach
- 2) Women's Team Coach
- 3) Member Council Voting Member
- 4) High Performance Director*
- 5) TTCAN BOD Member
- 6) Athletes Representative

*Due to the even number of HPC members, the High Performance Director will be a non voting member.

Team Eligibility

The 2019 PAN AMERICAN Games Table Tennis team will consist of up to three men and three women. The number of quota places earned will be determined by the Panam Sports (OSP) Qualification System, available [here](#). This document is based on the OSP Qualification System and in the event of any discrepancies, the Qualification System will prevail. If there are any changes by OSP to the

eligibility and selection criteria, TTCAN is bound by these changes and will inform the membership as soon as possible. The selection date is: June 1st, 2019. The team will be announced on June 3, 2019.

In order to be eligible for nomination to the Canadian Olympic Committee for Pan American Team selection, an athlete must:
