10. FORMAT and SEEDING

- 10.1 All qualifications rounds will be played in Round Robin Groups formed with 3-4 players, followed by a Knock-out Draw. Future Bulletins will provide more detailed information.
- 10.2 The top two (2) players will qualify to advance to the Main Events.
- 10.3 The Competition Manager reserves the right to modify a format of play at his discretion for the best interest of the competition.
- 10.4 The draws will take place in a date to be determined and will be posted on the TTCAN website (www.ttcanda.ca) by August 4, 2021. More detailed information will follow in future Bulletins.
- 10.5 SEEDING: The latest rating list as of August 1, 2021 shall be used to determine the seeding order for all events wherever possible. Due to the pandemic and the lack of sanctioned official competitions in many areas since March 2020, the Canadian Ranking System may not represent the reality of the level of the athletes at the onset of the event. Seeding will be primarily using the Canadian Ranking, but in some exceptional cases (new players, ITTF ranked players, etc.), the Coordination Commission will make the final decision.
- 10.6 Whenever possible, players from the same association will be separated in the first Group competition rounds.
