12. DRAW FORMAT and SEEDING

- 12.1 The Draw Format will depend on the number of entries received and the local government Covid-19 Pandemic restrictions. Future Bulletins will provide more detailed information.

- 12.2 The Competition Manager reserves the right to cancel an event due to insufficient entries (minimum 4 players to hold the event).
- 12.3 For Singles and doubles: provided there are sufficient entries, the format will be based on groups followed by “limited” progressive knockout to determine, in order, positions needed for the national team selections.
- 12.4 The Competition Manager reserves the right to modify a format of play at his/her discretion for the best interest of the competition.
- 12.5 The online draw will take place on June 22nd, 2022, at 7pm EDT via Zoom. An invitation with a link for the draw meeting will be sent to all participants and published on the TTCAN website (www.ttcana.ca). More detailed information will follow in future Bulletins.
- 12.6 SEEDING BY RATING:
- 12.6.1 The latest rating list as of June 5th, 2022, shall be used to determine the seeding order for all events wherever possible.
- 12.6.2 Singles:
- The number of seeds that are placed directly in the Knockout Draw will be determined in such a way that ensures that each preliminary round-robin group consists of **three players**; e.g., with 41 entries a Referee/Competition Manager may decide to seed either 5 players and establish 12RR3, or 8 seeds and 11RR3, etc.
 - For Final Stage rounds (32 entry Knockout Draws or less), the draw will follow the latest ITTF rules as per seeding placement:
 - Step 1: direct placement for Seeding numbers 1 & 2 in the opposite ends of the Main Draw.
 - Step 2: Seeding numbers 3 & 4 will be drawn next.
 - Step 3: Seeding numbers 5 to 8 will be drawn next.
 - Step 4: Seeding numbers 9 to 16 will be drawn next.
 - Step 5: Seeding numbers 17 to 32 will be drawn next.
- Note 1: If there are more qualifiers coming out of the Round Robin Stage than the allocated spots available in the Main Draw, preliminary knockout rounds will take place to qualify the exact number of athletes needed to form a complete Main Draw.
- Note 2: Players from the same provincial/territorial association shall not meet in preliminary rounds whenever possible.
- Note 3: There will be **no** separation by association in the knockouts.

12.6.3 Doubles and Mixed Doubles:

- All doubles will be played using Knockout draws
- The draw will follow the latest ITTF rules as per seeding placement:

 - Step 2: Seeding numbers 3 & 4 will be drawn next.
 - Step 3: Seeding numbers 5 to 8 will be drawn next.
 - Step 4: Seeding numbers 9 to 16 will be drawn next.
 - Step 5: Seeding numbers 17 to 32 will be drawn next.

Note 1: Each member provincial/territorial association can enter up to 6 doubles pair for each doubles event (MD, WD and XD).

Note 2: Doubles pairs from the same provincial/territorial association will not meet in the preliminary rounds, or first round whenever possible.

Note 3: The Rating of the Double pair will be the sum of the rating points of the two athletes in each pair.
